TRIBE**

**The Magical PRE-WEBINAR Email
Template That DRASTICALLY Increased
Our Webinar Attendance By 15.7%**

ProgressTribe.com

We can not express enough how important this one simple email is to the success of your webinar ascendance rate!

No one else was doing this when we tested it out and so the results we got completely shocked us!

We know mindset is crucial when starting your own business but this goes a bit deeper than that...

This also builds goodwill, trust, gets them to associate themselves with what you are going to be teaching, builds excitement for your class, plus it is another opportunity for them to be reminded of your webinar class as well.

Below is the email subject line and what to say in the email word for word. I have also put the whole email that you can copy and paste (and edit with your specific info in it) in the last page below.

You will want to put your own slight spin on it as well as fill in the blanks to make it relevant to your webinar topic and your ideal students.

Subject Line:

*[Insert Motivation Speaker Popular With Your
Audience Name Ex: Tony Robinson] Made Me Cry!*

I just came across this video by [Insert Motivation Speaker Popular With Your Audience Name] and it seriously made me cry because of how much it moved me.

It will also make sense for you because you are an action-taker since you registered for my **class/webinar** to learn **[Insert the benefit of attending webinar Example: How To Lose Weight after 40 years :-)]**

Click Here: **[Insert Video Link]** to watch it and please leave a note and let me know your thoughts.

[Very Important]: A lot of people have signed up already and we may not be able to accommodate everyone! To secure your spot inside the training class, show up at least 5 minutes early.

Just a quick reminder, your free training on **[Insert Class Title Here Example: How to start your own hair business]** begins in 12 hours: **[Insert Webinar Time]**

At the time of your workshop simply click the link below and you'll be redirected to the LIVE ROOM.
[Insert Link to the training room]

Some tips on the best way to watch this workshop:

- You can view this event from your phone, but the best user experience is from your desktop computer.
- We also suggest watching this event in Google Chrome. (It can be viewed in other browsers as well, but Google Chrome is the most compatible)

You can copy and paste the whole email we send in the page below:
