 I have been [insert your area of expertise example showing people how to create an online course] and a few months ago, I noticed a **FRIGHTENING** trend! Most of the strategies that were working before are no longer working!

And if you're following the old model of [what  
your ideal audience problem. example losing  
weight], everything could be in serious jeopardy!

The good news is, I am inviting you to my masterclass where I will show you exactly what is working right now in the [insert your industry/niche]

I will share with you..

- ✓ How to [solve problem #1]

✓ I will reveal how to [solve problem #2]

✓ And much more..... I think you'll find it really inspiring and a breath of fresh air from a lot of traditional [insert niche] advice out there.
